Roommates Wanted!

Do you need a roommate or others to share a condo?

Bowen Travel will help you get together with others who want to do the same trip at the same time.

Call the Bowen Travel Ski Department at 813-289-8344, or send an email to the above address and give your information to Fitz or Chris. We will keep your information on file and when others call in, we will exchange the telephone numbers and/or email addresses for you. Then it is up to you to contact the other person and decide whether you want to share rooms or condos, the decision is up to you!

Bowen Travel does not assign roommates, that is your responsibility. When you sign up for a trip, the space is not held for you unless you are willing to pay the single price if no roommate is found. You pay the deposit when you send in your trip application. It will be refunded if no roommate is found at the Cancellation Date for the trip.

Those who have submitted a Trip Application with a deposit will be given first choice on roommates available, so send in yours today.
